May 5, 1967

Mr. P. B. Wright
888 Ashfield
Pomona, Calif. 91767

Dear Mr. Wright:

I am looking forward to receiving the package referred to in your undated letter postmarked April 29. Your information is quite interesting to me, as are your opinions.

When next I have an opportunity, I will look for the white spot on the windshield on the Zapruder film. The windshield was changed afterwards, as I report in WHITEWASH.

Sincerely,

Harold Weisberg
